Message

Upliftment of the last man in the queue is the motto of Haryana Government's Antyodaya Programme. Guided by the principles of Antyodaya, dedicated work is being done to raise the standard of living of the Antyodaya families. Also, the vision of Sabka Saath, Sabka Vikas, Sabka Vishwas highlights the State Government's priority towards the upliftment of those at the bottom of the pyramid. With the core objective of increasing the income of these families, Mukhyamantri Antyodaya Parivar Utthan Yojana has been undertaken. Under this scheme, the identification of actual needy families having an annual family income of less than Rs. 1 lakh has been carried out through 'Parivar Pehchan Patra'. The objective of this scheme is to increase their annual family income to Rs. 1.8 lakh and beyond by linking them to various loan-based, skill-development and employment generation schemes.

One of the most unique features of this scheme is that it completely focuses upon the overall upliftment of family as a whole. Another important aspect of this scheme is proactively bringing the livelihood generating schemes of various departments to the beneficiary itself by organizing Antyodaya Gram Utthan Melas. The concept of Melas is envisioned in such a manner that all the stakeholders i.e., potential beneficiaries, Departments/Organizations, Banks and the District Administration come together at one place to facilitate on-the-spot delivery of schemes.

The impact and positive results of this scheme are being compiled in the form of a booklet titled "Mukhyamantri Antyodaya Parivar Utthan Yojana : A Compilation of Success Stories". Certainly, these success stories will give the people of the state an insight into the transformational journey of Antyodaya families in overcoming poverty with the help of 'Mukhyamantri Antyodaya Parivar Utthan Yojana'.

Introduction to Mukhyamantri Antyodaya Parivar Utthan Yojana

The upliftment of last mile person or 'Antyodaya' has been the primary goal of the Government of Haryana. In furtherance of this objective, a two-pronged approach was adopted by the government. Firstly, identification of actual needy families of Haryana through income verification under the flagship scheme of Parivar Pehchan Patra and secondly, ensuring poverty alleviation and financial inclusion of these families through an overarching approach.

Consequently, Mukhyamantri Antyodaya Parivar Utthan Yojana was launched by Hon'ble Chief Minister of Haryana as an umbrella scheme with the core objective of alleviating poverty by facilitating economic inclusion of the last mile citizens i.e., increasing the income of the poorest 'Antyodaya' families. These are the families whose annual family income is less than Rs. 1 lakh. The objective of this scheme is to increase their annual family income to Rs. 1.8 lakh per annum and beyond by linking them to various loan-based, skill development and employment generation schemes.

One of the most unique features of this scheme is that it focuses upon overall upliftment of the family as a whole. Another important aspect of this scheme is proactively bringing various schemes of government departments to the beneficiary through

Antyodaya Gram Utthan Melas which has ensured greater transparency and efficiency in the delivery of schemes. The concept of 'Melas' is envisioned in such a manner that all the stakeholders i.e., potential beneficiaries, Departments /Organizations, Banks and the District Administration come together at one place in order to facilitate on the spot delivery of schemes. As soon as the potential beneficiary enters the Mela, he/she is directed towards the Counselling Desk wherein he/she gets familiarized with all the 49 schemes of 18 departments. These schemes are further compartmentalized into broader categories of self-employment, skill-development, and employment-generation. The beneficiary is then provided with requisite assistance and guidance in choosing the most suitable scheme for his/her family based on their needs and certain eligibility criterions such as education, skills, interest, location etc. by the counselling team members.

After choosing the most suitable scheme, the applicant is further directed to the concerned department of the selected scheme. The department then helps the applicant to understand the chosen scheme in detail such as interest rates, subsidies, relevant time-lines and other terms of the conditions of the scheme. The department also provides hand-holding support in completing all the formalities of availing the scheme such as collecting documents and filing offline/online applications. The

applicant is further directed to the bank desk in case he/she applies for a loan related scheme. The officials deployed at the desk are responsible for granting approvals on the day of the mela itself.

So far (as of 07.09.2022), a total of 861 melas were organized in three phases across all the 22 districts of Haryana. A total of 136130 identified beneficiaries turned up, and applications of 76454 beneficiaries were approved in principle under various loan-based schemes, skill development training and employment generation schemes. Thereafter, loans of 32743 beneficiaries have been sanctioned out of which over 14000 have been disbursed as well. 436 beneficiaries have joined private employment opportunities and 908 beneficiaries have secured contractual jobs through Haryana Kaushal Rojgar Nigam. Additionally, a total of 1185 beneficiaries have been provided with various skill-development opportunities. The impact of this scheme is being collated in the form of success stories in this booklet. These stories will give the readers an insight into the transformative journey of Antyodaya families in overcoming poverty with the help of Mukhyamantri Antyodaya Parivar Utthan Yojana.

AMBALA

Success Story of Sh. Amanpreet

Sh. Amanpreet hails from Akalgarh, Barara Block of Ambala district. Even after completing his education, he was not able to find a decent job for himself and remained unemployed for a long period of time. The only source of his family's income was his wife's earnings from a small business of cloth stitching – which was a bare minimum of Rs. 5000/- per month. As a result, he struggled to give a better lifestyle to his wife and children. However, Amanpreet was always determined to escape poverty and be financially independent. Eventually, he got his way out with the help of Utthan Yojana.

He got to know that Utthan Melas are being organised by District Administration, Ambala at the block level wherein several schemes related to income generation are being given by the government to those who are in need. Thereafter, he attended the mela and shared his financial limitations, skills and area of interest with the counselling team members who further suggested him to open a Common Service Centre (CSC) as he was matric pass and had basic knowledge of computers. After that, he was directed to the CSC department who provided him with requisite handholding and guidance to apply for their scheme.

Within one month, he managed to open a CSC in his area and started providing essential public utility services to the villagers. Soon after opening his CSC, his family income increased by Rs. 15,000 to Rs. 20,000 per month.

Sh. Amanpreet is grateful to the Hon'ble Chief Minister, Sh. Manohar Lal for introducing schemes like Utthan Yojana which is making a substantial change in the life of the last mile citizen. He is also grateful to the district administration for disseminating timely information and making his entire journey of self-employment smooth and hassle free.

Success Story of Sh. Kawaljeet Singh

Sh. Kawaljeet Singh S/o Sh. Avtar Singh is a resident of Ambala City. Till the age of 38, he used to work as a contractual driver from which he hardly used to earn Rs. 6,000/- in a month. He is the sole earning member of a family of five and with such low income he was barely able to meet the day-to-day needs of his family. He always wanted to provide a better lifestyle to his family however, he had no direction and guidance as to how to fulfil his dream.

In 2022, Utthan Yojana came as a sigh of relief for him. During the month of June, Sh. Kawaljeet Singh visited Utthan Mela organised by District Administration, Ambala in Panchayat Bhawan, Ambala City wherein he discussed his problems with the counselling team. Being aware of his driving skills, the counsellors suggested him to get his own E-Rickshaw through which he will be able to get some regular income. The team further directed him to the Deendayal Antyodaya Yojana-National Urban Livelihoods Mission ('DAY-NULM') department. The staff of DAY-NULM helped him complete all the formalities to apply for the loan of Rs. 1,49,000/- and forwarded his documents to the bank on the very same day.

Within one month, Kawaljeet Singh's loan got disbursed and he became the owner of an E-Rickshaw. He has now started driving his own E-Rickshaw in the Ambala City and is earning at least 3 times higher than his previous income. Kawaljeet is determined to work hard to further increase his income to lead a quality life.

He is also grateful to the government for making him realise his true potential to escape the vicious cycle of poverty.

Success Story of Smt. Rupa Bichukale

Smt. Rupa Bichukale W/o Sh. Vikas Bichukale is a resident of Tassveera Wali Gali, Ambala City. Mrs. Rupa used to work in a factory as a daily wage worker and was hardly able to get an irregular income of Rs. 6000/- per month. With the onset of COVID-19 pandemic, she lost her job in the factory thereby, witnessing a significant reduction in her family income. Mrs. Rupa was determined to stand on her feet again and not be dependent on anyone for her finances. In her pursuit to become financially independent, Utthan Yojana came as a ray of hope for her.

She got to know about Utthan Yojana through a phone call and was asked to attend the Mela on the stipulated date and time. She was informed about a plethora of schemes, which could help her in income generation, at the counselling desk. Eventually, she showed interest in the Home Nursing Course by the district's Red Cross Society. The staff of Red Cross Society helped her in completing all the paperwork in the Mela itself and she started her Home Nursing training right after the Mela.

Rupa has successfully completed her training and is currently working as a caretaker for a senior citizen earning Rs. 9000/- per month. She feels grateful and happy to be serving the vulnerable and needy section of the society while getting a reasonable remuneration with which she is able to meet her daily requirements.

BHIWANI

Success Story of Monika

Monika is a 19-year-old girl hailing from the remote village of Khanak located in Bhiwani district. Monika's life has been filled with struggles as she lost her father to cancer when she was just 14 years old. Her life suddenly changed from being an innocent teenager to becoming a responsible adult as her family was left with no source of income after her father's demise. As a result, her mother started working in agricultural farms to fulfil the needs of her family. Despite all the adversities, Monika didn't lose hope and showed courage to move ahead in life. She also continued her study in addition to supporting her mother in the fields.

It was Parivar Utthan Yojana that instilled some hope in her. Under the Yojana, a Mela was organized at Tosham block on 10th June, 2022. Monika visited the Mela and got familiarized with different schemes of various departments. Ultimately, she decided to start the profession of animal husbandry and enrolled herself in the 2 milch animals (2MA-SC) scheme. In this scheme, she got a loan amounting Rs. 80,000/- sanctioned and disbursed for the purchase of one milch buffalo within a month. Additionally, the Department of Animal Husbandry & Dairying provided a subsidy of Rs. 40,000/- i.e., 50% of loan amount within seven days of loan disbursement.

With the disbursed amount, she started the business of selling milk. Within a few days of the start of her business, she has now regained the confidence of excelling in life. She is also determined to complete her own and her brother's further studies with this new source of income.

Success Story of Smt. Babli

Smt. Babli is a 40 years old female hailing from the Siwani area of Bhiwani district. She had a family of five members including herself, her husband and three sons. Throughout her life, Babli has seen many hardships as she lost two of her sons due to accident and illness. She has also suffered from discrimination on account of being a woman and belonging to a marginalized community of Scheduled Castes.

In order to escape social and economic poverty, her family decided to venture into business and start their cosmetic shop. However, they were not able to witness a substantial increase in their income as the shop was very small with few materials and hardly attracted any customers.

Her dream of expanding the shop became true when she visited the Utthan mela. The counselling desk directed her to Haryana Scheduled Castes Finance and Development Corporation wherein she submitted the requisite documents on the day of the Mela itself. Within 15 days, the Department sanctioned the loan of Rs. 1,00,000 with the help of which she purchased the requisite inventory and upgraded her shop's infrastructure. As a result, she is now able to earn Rs. 20,000 to Rs. 30,000 per month whilst living respectfully and independently in the society.

CHARKHI DADRI

Success Story of Smt. Sudesh Kumari

Smt. Sudesh w/o Rajkumar hails from the Chappar village of Charkhi Dadri district. Her family comprises four members including her husband and two school going children. Her family was already sustaining themselves by selling cow's milk, however, it was only sufficient to meet their basic needs. In hopes of having a better life, Sudesh and her husband decided to expand their business by getting two more buffaloes as they already had an expertise in this arena.

Thereafter, she visited the Utthan Mela wherein she showed keen interest in applying for the 2 Milch Animal Scheme by the Department of Animal Husbandry and Dairying. The Department further helped her in filling the form and her application was sent to the bank on the very same day. The bank sanctioned a loan for Rs. 1,60,000 /- with 25% subsidy with the help of which she purchased the first animal in August 2022. Now the beneficiary is getting a daily income of around Rs. 400, thereby, increasing her monthly income by Rs. 12,000/-.

FARIDABAD

Success Story of Sh. Udayvir

Before the COVID19 hit, Udayvir, a 44 years old man, from Shahapura Kalan, Ballabhgarh, Faridabad, had an electrician shop. However, during the lockdown, things changed for him and he couldn't sustain his shop. With no source of income, he was struggling to take care of his wife and three children. However, he didn't lose hope and showed courage in order to take his family out of these difficult times. When he heard of Mukhyamantri Antyodva Parivar Utthan Yojana, Udayvir visited the Mela being organised in his block in the hopes of getting something which can help him in setting up an Electrical shop. He received guidance from the counselling desk at the Mela and eventually opted for a scheme of Haryana Scheduled Castes Finance and Development Corporation. He shared his documents on the spot and thereafter within 2 weeks he received the sanction letter for a loan of Rs. 1,00,000. While he was planning re-setting up the shop, he received the subsidy amount from the Corporation, and thereafter the loan amount. Currently, he is mostly involved in repair works and is seeking to expand his business. He is thankful for the scheme which allowed him to bounce back with full force after he thought things were turning worse for him. He hopes other needy people like him also get to know about the same to improve their livelihood.

Success Story of Smt. Aarti

Smt. Aarti is a 35-year-old woman hailing from Gharoda village located in the Tigaon Block of Faridabad district. Struggle can be a synonym for Aarti's life as she got married very early in her life and became the mother of three children at an early age of 20. As a result, she left her education and started fulfilling her duties as a housewife and a mother of three. Her husband works as a daily wage laborer due to which the family's income was very less and irregular. Despite being illiterate, Aarti always aspired to become financially independent in order to provide a better lifestyle to her children.

Therefore, she visited the Utthan Mela which was being organized at the Tigaon Block by the district administration. She was always interested in opening a garments shop and expressed the same desire at the counselling desk. Thereafter, she was referred to the Haryana Women Development Corporation wherein all the paperwork was completed on the spot. Within 2 weeks, she got the sanction letter of Rs. 65,000 loan and the same amount was disbursed to her within a short span of time. She also received a 10% subsidy on the sanctioned loan.

With the disbursed amount, she has opened a garments shop in her village. She is determined to do well in her journey and hopes to earn enough to make her children receive quality education, health care and nutrition.

FATEHABAD

Success Story of Harjeet Singh

Sh. Harjeet Singh hails from Mussakhera Village of Fatehabad district. He has a family of four members including his wife and two young children. Before Parivar Utthan Yojana, Harjeet Singh used to provide door to door electrician service in his village and was barely able to meet the daily needs of his family due to his minimal and irregular income of approximately Rs. 5,000/- per month. Harjeet Singh was confident of his hard skills as an electrician and knew that the next reasonable step to increase his family's income would be opening his own electronics shop. Therefore, he applied for a business loan at various places but his application got rejected from everywhere.

In November 2022, Utthan came as a ray of hope for him. He was informed about the Utthan Mela in his block through a phone call after which he reached the location on the stipulated date and time. He expressed the desire of starting his own business at the melas after which he got referred to the Micro, Small and Medium Enterprises ('MSME') Department. The department provided him with all the handholding support to apply for the loan of Rs. 1,42,500/- under Prime Minister's Employment Generation Programme ('PMEGP').

Within one month, Rs. 95000/- was credited to his bank account and the limit of Rs. 47,500 was given by the MSME department. Harjeet Singh has opened his shop named Bika Electronics with the disbursed amount thereby, doubling his family income from Rs. 5000/- per month to Rs. 10,000/- per month.

GURUGRAM

Success Story of Smt. Anita

Smt. Anita comes from the Dhanwapur village of Gurugram district. Anita's family comprised four members including her husband and two young sons. Anita used to run the family on her husband's income who worked in a private company. On the other hand, Anita was a housewife as she lacked requisite educational qualifications and skills in order to secure a job. Unfortunately, in the year 2014, Anita lost her husband due to some medical condition and the entire responsibility of taking care of a family fell upon her shoulders. In the initial years, she remained unemployed at home and then started engaging in work as a labourer.

However, Anita always wanted to be self-employed and open her own shop but due to lack of funds and exposure she was not able to fulfil her dream. In June 2022, she got to know about Parivar Utthan Yojana and visited the Mela in the hope to get something which can help her in setting up a Tailoring Shop. She was further made aware about the scheme especially made for Scheduled Castes after which, she shared her documents on the spot. Within 15 days, Anita got a loan of Rs 50,000/- including subsidy of Rs 10,000/-.

With the disbursed amount, she has set up a tailoring shop by purchasing the inventory. She is now able to earn approximately Rs. 500/- per day by stitching clothes thereby, increasing the monthly income of her family by Rs. 15,000 per month.

Success Story of Pooja

Smt. Pooja is a native of Narhera village which comes under Pataudi Tehsil of Gurugram district. In 2016, Pooja lost her husband due to a medical illness. After her husband's demise she felt absolutely helpless as her family was left with no source of income. Pooja has only studied till 7th standard due to which she felt under-confident of her ability to raise two children all by herself. However, Pooja did not lose hope and worked to the best of her ability in order to earn a decent lifestyle for herself and her children.

In 2022, Pooja got to know about Parivar Utthan Yojana and she made sure to attend the Mela organized by District Administration in Pataudi block of Gurugram. After assessing her interest areas and requirements, the counselling team motivated her to open her own cosmetic shop. She was referred to the Haryana Women Development Corporation department and a loan of Rs. 1,50,000/- was approved in her favour by the Department on the same day itself. She also received a widow subsidy of Rs. 50,000/- on the given amount within 15 days of sanction.

With the disbursed amount, she has opened a Cosmetic Shop in her village. She feels motivated and respected in the society and has instilled the confidence of expanding her business further.

HISAR

Success Story of Sh. Rinku

Sh. Rinku is a resident of Hansi city located in the Hisar district of Haryana. He used to work as a daily wage labourer in the jutti/chappal making company of Hansi. After working for a few years at the company, he acquired the skill of shoemaking and desired to establish his own business. However, he was not able to do so due to lack of adequate resources and guidance. He even applied for loans at various places but was not able to take his application forward either due to very high interest rates or due to resistance at the level of banks.

Sh. Rinku found his way out through Parivar Utthan Yojana. The counselling team allocated the PMEGP scheme of the MSME Department to him. After getting a detailed understanding of the scheme from the Department, he applied for the loan of Rs. 2,00,000/- by submitting all the relevant documents on the day of the Mela itself. Within 20 days his loan got sanctioned and he opened a jutti/chappal shop with the disbursed money.

Sh. Rinku witnessed a rapid increase in his income within a span of few months and is grateful to the Hon'ble Chief Minister for launching an initiative which will not only lead to increase in income of the poor but will also lead to their social and economic empowerment by making them stand on their own feet.

Success Story of Sh. Pashuram

Sh. Pashuram hails from the Krishna Nagar area of Hisar district. He has a family of four including his wife and two children. He earns the bread and butter of his family through a fast-food stall which he usually puts up near the railway station area. Pashuram has only studied till 8th standard therefore, he thinks running a food stall is a viable source of income for his family as it does not require any educational degree. Pashuram's wife is also illiterate and does household chores while taking care of her newly born daughter and her 11 years old son. Soon after the birth of his daughter, Pashuram realized that his growing family is causing more expenditure; however, his income has been more or less stagnant till the past 10 years.

Hence, Pashuram decided to grow his business and applied for PM Street Vendor's Atmanirbhar Nidhi ('PM SVANidhi') scheme after talking to the counselling desk. PM SVANidhi scheme was the best suited scheme for him as he already used to work as a street vendor and the scheme offered collateral free loan of Rs. 10,000/-, Rs. 20,000 and Rs. 50,000 in the 1st, 2nd and 3rd tranches respectively. Within a month the loan of Rs. 10,000/- was disbursed by National Urban Livelihood Mission ('NULM') branch with the help of which he expanded his already existing business. As a result, Pashuram has doubled his monthly income and he aspires to provide quality education, nutrition and healthcare to his children.

Jhajjar

Success Story of Sh. Krishnan

Sh. Krishan s/o Risal Singh hails from Kheri Sultanpur village of Jhajjar District. Krishan got infected with a disabling and life-threatening disease of polio virus in his childhood due to which he became physically disabled, suffering from 100 percent disability. Krishan's brother expired due to an accident and the entire responsibility of taking care of their mother and his brother's children fell upon his shoulders. In order to sustain his family, he started working under a tailor and learnt all the tailoring skills. However, he was hardly able to make Rs. 5000/- per month through his previous job. Therefore, he decided to open his own garments shop as he was confident of his skills and abilities to run a business.

In February 2022, he visited the Utthan Mela which was being organised in the Machrauli city of Jhajjar hoping to get some help for opening his own ready-made garments shop. The counselling desk took cognizance of his disability and referred him to the Haryana Backward Classes & Economically Weaker Section Kalyan Nigam as the Department offered special loan to differently abled people of Rs. 1 -1.5 lacs on the interest rate as low as 5-6%.

At the Department counter, he applied for the loan of Rs. 1,00,000 which got disbursed into his bank account in two tranches of Rs. 50000/- each within two weeks of applying. Sh. Krishan has now opened a garment shop with the same amount and he has managed to increase his monthly income by Rs. 2000- Rs. 3000/-.

Success Story of Sh. Rajbire

Rajbire, a 51-Year-old man, belonging to an under-privileged community identified as one of the Scheduled Castes, lives in Village Karodha, Matanhail, District Jhajjar. He was unemployed and day-to-day work was the only source for his livelihood and support for family. He has 2 sons, both being students are not able to support the family as of now. His elder son is enrolled in an Industrial Training Institute and the younger one is pursuing a computer course after completing 10+2. Rajbire always searched and sought opportunities in his life for supporting his family.

Rajbire got to know about Parivar Utthan Yojana through the local authorities. After being counselled on all the relevant schemes, he opted for the 2 Milch Animal Scheme of the Department of Animal Husbandry and Dairy. He found this scheme quite beneficial as he was getting a subsidy of 50%, and this suited his financial condition. The Department processed his application and sponsored the same in no time. Sarv Haryana Gramin Bank, Chhuchakwas sanctioned the loan after verification of the essential criterions. On 6th June 2022, one animal out of the two sanctioned was purchased and was insured free of cost. Rajbire says that he got every possible guidance from the Animal Husbandry & Dairy Department along with the concerned bank. He is currently able to sell the extra milk after fulfilling his family's needs. In addition to getting nutritious and good quality milk, they are also using cow dung as fuel. He plans to expand further once he purchases the second sanctioned cattle. Rajbire also believes that this scheme has helped him in boosting his confidence, and he is now hopeful of spending better on his sons' career.

Jind

Success Story of Smt. Sangeeta

Smt. Sangeeta hails from Vikas Nagar locality of Jind. Soon after her marriage, she lost her husband in an accident due to which the entire responsibility of taking care of her two young children fell upon her shoulders. The demise of her husband left Sangeeta in a vulnerable and helpless position but she didn't lose hope and was determined to provide quality education and lifestyle to her children. As a result, she started working in a nearby beauty parlour wherein she worked dedicatedly to make money for her family. However, after some point of time she realized that she was not getting fair pay for her work and wished to start her own business.

In February 2022, Parivar Utthan Yojana came to her rescue. She attended the Mela with the hope to get some assistance in opening her beauty parlour. After realizing that she is a widow, the counselling team referred her to the Haryana Women Development Corporation as it provides special interest free loans to widows. Within a few weeks of the Mela, a loan amount of Rs. 1,00,000 was disbursed to her with the help of which she opened her beauty parlour. She aspires to increase her family income with her new business and lead an independent and respectful life in the society.

Success story of Sh. Surender Singh

Sh. Surender Singh runs his business of selling sunglasses and wallet on the Gohana Road, Jind. Initially, he rented the stall but now after being in business for 3 years, he bought the stall himself. He has a 5-year-old daughter, and he always tried to provide her with quality education and lifestyle but couldn't do so due to financial limitations. Therefore, he decided to expand his already existing business as his experience of 3 years equipped him with the required confidence, skills and acumen to grow his stall further.

As a result, he applied for the PM-SVANidhi scheme through the Utthan Mela with the help of mentoring by the counselling team and National Urban Livelihood Mission respectively. A collateral free loan amount of Rs. 10,000/- got disbursed in the 1st tranche and a loan amount of Rs. 20,000 and Rs. 50,000 will be disbursed in the 2nd and 3rd tranche respectively. With the disbursed amount, Sh. Surender has managed to expand his business and double his monthly income.

Kaithal

Success story of Sh.Vikram

Vikram, a 25 years old, young man wanted to contribute to his family's financial condition. However he was restricted by his limited qualification, as he is only class 9th pass. Jobs requiring unskilled labour would have required him to travel outside of his district but for very little compensation. Hence, he was looking for an opportunity where he could start something of his own as soon as possible. When he was informed about the Parivar Utthan Yojana, he attended the Melas to get some business ideas that he could implement in a short period. He was counselled on various schemes, and thereafter he chose the "2 Milch Animals" scheme of the Animal Husbandry and Dairy Department. The whole loan, of Rs. 1.60 lakhs for purchase of 2 buffaloes was processed within three months and soon he got the cattle. With guidance and hand-holding support from the Department, he started selling milk and was able to save upto Rs. 450 per day after accounting for all expenses. His story is an example of how people limited by circumstances and educational qualifications but equipped with the right entrepreneurial mindset can carry on sustainable ventures.

Karnal

Success story of Sh. Amit Gudha

Amit Gudha hails from the Salwan village of Karnal. His family comprises three members including his mother and an elder brother who works in a salon. Amit completed his graduation in Political Science and wanted to pursue his studies further. However, he was not able to do so as the entire responsibility of his family fell upon his shoulders due to his father's death in 2011. Ever since then, he had been working as a daily wage labourer and was barely able to meet the needs of his family with his irregular source of income.

In November 2021, he got to know about Parivar Utthan Yojana and visited the Mela in order to get some help to increase the income of his family. He showed his interest in opening a kirana shop after which he was suggested to start his business under HarHith scheme as it is a flagship project of Haryana Agro Industries Corporation Limited ('HAICL'), which is being implemented under the direct supervision of the Government of Haryana. HAICL facilitates in-store fit-out, products procurement, logistics, and IT support and skills training for opening retail stores for daily need items. Amit completed all the formalities of availing the scheme on the day of the Mela itself and within one month he was able to open his own HarHith Store. Currently, he sells the items worth Rs. 2,00,000 through his store on a monthly basis thereby making a profit of Rs. 20,000 every month.

Success Story of Smt. Jeeto Devi

Smt. Jeeto Devi is the native of a remote village named Dabkheri located in the Kurukshetra district of Haryana. Jeeto Devi used to sustain her family with the help of her husband's income who works as a daily wage laborer. She was hardly able to meet day to day needs of her family due to the minimal income of her husband. She always dreamt of providing a better lifestyle to her three young children but was not able to do so due to lack of education and direction.

In March 2022, she got to know about Utthan Mela and attended it on the stipulated date and time as communicated by the district administration. In the Mela, she shared her interest of opening a cosmetic shop with the counselling team members who further directed her to the Haryana Scheduled Castes Finance & Development Corporation ('HSCFDC'). The staff of HSCFDC helped her complete all the formalities to avail the loan of Rs. 1,00,000/-. She further received subsidy (margin money) from the Corporation to open her cosmetic shop.

Within a few days, the loan of Rs. 1,00,000 was sanctioned and disbursed to her bank account with the help of which she purchased the requisite raw materials to open her cosmetic shop. Due to her new business, her family income has increased by Rs. 3000 to Rs. 5000 per month. With the increased income, she endeavors to provide quality higher education to her daughter.

Success Story of Smt. Krishna Rani

Smt. Krishna Rani belongs to the Thanesar Tehsil of Kurukshetra district. Her family comprises five members including her husband, two daughters and a son. The entire responsibility of taking care of her family fell upon her shoulders in the early years of marriage due to her husband's poor health. As a result, she started her own beauty parlour. However, even after starting her own business, she was not able to meet the needs of her family due to less household income and more expenditure.

She thought of expanding her business with the help of Parivar Utthan Yojana. During the Melas, she expressed the desire of upgrading her parlour in order to attract a greater number of customers. Thereafter, the counselling team referred her to Haryana Women Development Corporation wherein she applied for the loan of Rs 1,00,000/-. Within a few days, the same amount was disbursed to her after receiving a subsidy of Rs. 25,000/- from the Corporation.

With the disbursed amount, she upgraded the already existing infrastructure of her beauty parlour. With the help of her business skills and expanded space, she witnessed an increase of Rs. 12,000/- in her monthly income. Going forward, she aims to provide better healthcare facilities and treatment to her husband. She also thanks Hon'ble Chief Minister and District Administration, Kurukshetra for reaching out to the last mile citizens and helping them break the shackles of poverty.

Success Story of Sh. Krishan Kumar

Sh. Krishan Kumar hails from the Ismailabad village of Kurukshetra district. He has a family of four members including his wife, two children and himself. Before the Parivar Utthan Yojana, he used to sustain his entire family on his earnings as a daily wage laborer. Due to irregular and less income, he took private loans in order to give quality education to his daughter. The lending parties imposed very high interest rate on loans due to which his family fell into a vicious cycle of poverty.

In March 2022, he came to know through a phone call by the District Administration, Kurukshetra that Utthan Mela is being conducted at the Block Development and Panchayat Officer's Office and his name is on the list. After visiting the Mela, he marked his attendance and was further directed towards the counselling desk. The counselling team members realized that Sh. Krishan Kumar used to do carpentry as a daily wage laborer and can utilize his skills to start his own business. Thereafter, he was directed to Haryana Backward Classes & Eco. Weaker Sections Kalyan Nigam wherein he applied for a loan to open his Carpentry Shop amounting Rs 50,000/-. The staff helped him to complete all formalities and disbursed his loan within a short period of time.

With knowledge and expertise in the field, he started his new business. With the disbursed amount he purchased equipment for his shop and is now selling his furnished products on good profits. As a result, he has increased his income by 10,000/- Rs. per month.

Mahendragarh

Success Story of Sh. Avinash

Even despite working at an e-comm company, Avinash, a young man from Mahendragarh failed to earn enough to be able to send back to his family living in Rajupura village, Mahendragarh, who were struggling to meet their monthly household needs while supporting the education of his brother who is in 3rd year of college presently. That is when he got to know about ParivarUtthanYojana through a phone call by the district administration and a house-visit by the pre-Mela counselling team. He, along with his father, went to the UtthanMela and got counselled on various schemes.

When they got to know about a scheme for Goat Rearing, it occurred to his father to utilize his previous experience in the same field to increase their family income. They applied for the same and their loan got disbursed in August, 2022. Currently, Avinash, while continuing with his job, and his father are together looking after the goat-rearing venture with 16 goats and 3 kids. They are able to earn uptoRs. 600 per day by selling their milk. His father believes that this will give their family's financial condition a boost. Avinash also feels happy and thankful to the government for introducing the UtthanYojana which allowed him to explore his entrepreneurial side as well.

Nuh

Success Story of Sh. Najeer Ahmed

Sh. Najeer Ahmed comes from the remote village of Bai located in Nuh district. Najeer has only managed to study till 5th standard due to which he was unemployed and didn't have any viable source of income. He came to know about Utthan Mela through the District Administration and attended the same in order to find a suitable scheme for his family. After talking to the counselling team, he showed interest in rearing animals as that profession didn't require any educational qualifications.

Thereafter, the counselling team apprised him of various schemes related to milch animals, poultry and piggery of the Animal Husbandry Department and recommended three schemes as per his interest and needs. First was related to Goat rearing in which (15+1) sheep/goats are provided on 25% subsidy. Second entailed establishing a Piggery Unit wherein (11+1) pigs are provided on 25% subsidy. And the last one was related to Backyard Poultry in which 50 chicks are provided free of cost along with a feeder and water container. Eventually, he ended up opting for the (15+1) Sheep/Goat scheme and a loan of Rs. 98,000 along with Rs. 24,500 subsidy was disbursed to him with the help of which he purchased 15 Goats and 1 Buck.

Now he sells goat milk of Rs. 8000 - Rs. 10,000 per month and is able to successfully manage the education of his four children. He also aspires to grow his business in the field of animal husbandry itself in the coming years.

Palwal

Success Story of Smt. Mithilesh

Smt. Mithilesh w/o Matru hails from the Janacholi village of Hathin Block, Palwal. She used to run her family on the irregular income of her husband who worked as a daily wage labourer. In November 2021, she got to know about Parivar Utthan Yojana through district administration and was asked to attend the mela. She was being told that her name is the Antyodaya list by virtue of which she is eligible to avail various income generation schemes. Therefore, she attended the mela wherein she got apprised with various schemes of the 49 departments. After hearing about all the plausible options, she chose to become a part of the Jai Hind Self-Help Group hoping to get an easy loan to start a new business.

Later on, she realised the multifarious benefits attached to the SHG scheme of Haryana State Rural Livelihood Mission. First, by being an SHG member her engagement and exposure to the community increased manifold as she started participating in various meetings and learnt several skills related to money management. These activities also enhanced her soft skills and helped her become more confident especially, in an aspirational area like Hathin where women hardly step out of their houses. Secondly, she took a loan of Rs. 10,000 from the group and convinced her husband to open a fruit stall in the Hathin market. As a result, her family income has increased to Rs. 10,000-Rs. 12,000 per month through which she also managed to settle the loan within the time limit.

Panchkula

Success Story of Smt. Santosh Kumari

Sh. Santosh Kumari is 48 years old and hails from the main city of Panchkula. She got married at a very young age of 20 and became a mother of two children when she was just 26 years old. Due to early marriage and its responsibilities, she was not able to pursue her education and her entire family was dependent upon her husband's income who had a private job in a factory. However, in the year 2020, her husband lost his job due to Covid-19 pandemic due to which the entire family became a victim of poverty.

Thereafter, she visited the Utthan Mela in February 2022 and applied for an Individual Loan of Rs. 1,00,000 under Women Development Corporation to open her own tea shop. The department forwarded her application to the respective bank which further disbursed an amount of Rs. 65,000 for the initial installation of her stall. Additionally, she also received a subsidy of Rs. 25,000.

Sh. Santosh Kumari has now set-up her tea stall through which is able to increase her monthly income by Rs. 10,000 to Rs. 15,000. She will soon receive the remaining amount of Rs. 35,000 for further establishment of her business.

Success Story of Sh. Prince

Sh. Prince hails from the Pinjore block of Panchkula district. His family comprises 5 members including his father, mother and two younger brothers. From the early on in his life, he has been witnessing the extreme struggles of his parents in order to provide a decent lifestyle to him and his brothers. There were times when his parents used to sleep empty stomachs in order to feed their children. Ever since then, he learnt the importance of education and was determined to stand on his own feet by becoming a Chartered Accountant. Hence, he started to pursue an undergraduate degree in Commerce from a government college. Soon after joining the college, he realised the importance of being technologically sound and wanted to hone his skills in computers. However, he did not have enough time and money to learn a computer course. In November 2021, he opted for a computer course of Child Welfare Council ('CWC') through Utthan Melas as the course was free of cost and suited his daily timings of college.

Sh. Prince has completed his 9 months course of computer training and now he feels confident of his skills and abilities in computers. He is grateful to the Hon'ble CM for launching skill-development schemes for youngsters like him which not only boosts their confidence but also help them become a more valuable asset in the market.

"The computer course of CWC has helped me in a twofold manner. First, it helped me attain basic knowledge about computers which is considered as a valuable hard-skill in the current job market and that too free of cost. Second, I completed the course while pursuing my graduation as there were hourly classes on a daily basis which proved to be feasible and saved my time from pursuing a full-time yearly course."

Panipat

Success Story of Rani

Ms. Rani hails from the Ashok Vihar locality of Panipat Municipal Corporation. Her family comprises her mother, a younger sister and two brothers. In the year 2012, Rani lost her father due to cardiac attack due to which her family became vulnerable to extreme poverty. Owing to the hardships, her elder brother left his education and started selling vegetables with her mother at the local market of Panipat. After completing her 12th standard, Ms. Rani also started looking for opportunities in order to sustain her family. In November 2021, she applied for the beautician course under Haryana State Council of Child Welfare. The course helped her to develop requisite skill sets and to navigate the lucrative potential of the beauty market. By the end of her course, she became so confident of her skills that she decided to provide services such as threading, bleaching and waxing from her home itself through which she manages to earn Rs. 2000 -Rs. 3000 per month.

She is grateful to the Haryana government for providing capacity building opportunities to the youngsters like her which not only helps people regain their self-confidence but also lead to development of their hard and soft skills.

Success Story of Sh. Chanchal Kumar

The struggle of Chanchal Kumar, a 47 years old man, from Veer Bhawan Chowk, Panipat, is indeed a long one. He lost his father to cancer when he was 20 years of age forcing him to support his elder brother in earning livelihood for his family. He then learnt the work of centring (carpentry) to support his family. Presently, Chanchal has a family of 4 persons including his mother, wife and daughter (studying in class 5th). Despite working for the last 25 years in this field, and having mastered this skill, he could barely earn Rs.7000-8000 due to close competition by his contemporaries. He further thought of establishing an enterprise to expand his venture but was constrained by lack of funds.

However, as the old saying goes "Where there is will there is a way" , he was soon informed about his name being present in the beneficiaries' list of Parivar Utthan Yojana by the Urban Local Bodies Department. The Department also requested him to attend the Utthan Mela to avail the desired benefit. In this Mela, Chanchal Kumar visited in the hope to get some help for establishing their shop. In the Mela, he came across the NULM scheme wherein he submitted his documents on the spot. Within 2-weeks' time Chanchal Kumar got the sanction letter of loan amount Rs. 2 lakhs, which was disbursed well within the time frame. With this amount, he brought raw materials and is now able to earn upto Rs. 20,000 per month whilst paying the EMIs regularly. He further feels more confident of his entrepreneurial skills that he is planning to take more loan to expand further once he is able to re-pay this amount.

Rewari

Success Story of Smt. Indira Sain

Smt. Indira Sain w/o Harkesh, village - Bidawas had joined Ujala Mahila Self Help Group under Haryana State Rural Livelihood Mission ('HSRLM'). There are 3 members in her family, her husband working on daily wages but her family income was not good enough to run her daily house expenses as well as children education. HSRLM staff then motivated her to visit Utthan Mela, as she also happened to be a beneficiary under Parivar Utthan Yojana. She visited Utthan Mela and applied for a small loan. Thereafter, she has invested Rs. 20000 (Rs. 15000 of her own & Rs. 5000 borrowed from SHG) to start a beauty parlour shop at her village and she has started earning money. In addition to receiving the loan amount, she received guidance and hand-holding support from HSRLM to plan and start running her business. Further, she will avail more loans to expand her business through banks as well as SHG under HSRLM. In the end, she thanked the Government for ensuring that the benefits of existing schemes are reaching out to needy persons through the Utthan Mela. She also thanked the District Administration and HSRLM for providing an opportunity to get the benefit of the government scheme and also provide information related to Parivar Utthan Yojana.

Success Story of Smt. Rasmi

Coming from the Manethi village of Rewari, Smt. Rani is matric pass but unemployed. She is a widow and has one child. Her economic condition has not been good after her husband's death. Her income was insufficient to look after her family and she was thinking for an alternative source of income to fulfill the needs of her family and to provide better education for her child. After getting to know about the Parivar Utthan Yojana, she attended the Utthan Mela. Consequently, RSETI Manethi received her application through Block Headquarter, Khol. Field staff contacted her and further motivated her to visit RSETI Training Center for cutting tailoring training. She agreed for it and immediately contacted the director of the said centre to enrol for the training. Her training was successful and that too at minimal cost. After that, she invested Rs. 30,000 from own fund to set up a Tailoring shop at her village. Due to the quality of her stitching, her customer base grew bigger and she is earning Rs.20000/- per month. She also gave employment to one more person. Now, she is willing to expand her business by taking more loans from banks. She is thankful to the District Administration for making her own whole journey smooth and hassle-free from disseminating information related to Parivar Utthan Yojana to provide the Cutting & Tailoring training in such a short span of time.

Success Story of Smt. Sunita

Smt. Sunita is a home maker hailing from Meham block of Rohtak. Her husband is a divyang and by all means could earn only Rs 30,000/- per annum which was insufficient to run the family of two. The limited source of income brought her family to the verge of extreme poverty but she managed to bring her family out of it with the help of Parivar Utthan Yojana.

She participated in the Utthan Mela to understand different government schemes formulated for the upliftment of the poor. After getting apprised of all the schemes, she applied for the PMEGP Scheme of MSME department to open her own boutique as she had an expertise in stitching ladies suits and garments. She got a loan of Rs. 1,00,000 along with a 25% subsidy from the MSME department with the help of which she started her entrepreneurial journey by opening a boutique named 'Annu Boutique' in the Meham locality.

Success Story of Sh. Satish

Sh. Satish belongs to the underprivileged community of Scheduled Caste and worked as a labourer with an annual income of Rs 50,000/- only which was not enough to run the family of two. As his wife is a homemaker and couldn't contribute economically, he decided to augment his financial position by participating in Parivar Utthan Yojana Mela organized in Kalanaur block of Rohtak district. At the mela, the counselling team took cognizance of his experience of working in denting and painting. Thereafter, he was encouraged to apply for the loan of Rs. 1,50,000/- under the PMEGP Scheme of MSME department.

The loan helped him in purchasing the denting and painting machines of cars and other requisite infrastructure at a subsidized rate. He soon started his workshop at Kalanaur itself and has started earning approximately Rs 10,000/- per month through his new business venture. His enterprise has not only solved his problem but shall also be a source of income for others as he switched his role from being an employee to an employer by embarking upon his journey of self-entrepreneurship with the help of Parivar Utthan Yojana. .

Success Story of Sh. Ram Niwas

Sh. Ram Niwas s/o Sh. Nanak Chand is a resident of Sirsa City. Ram Niwas became 100% physically disabled in his early childhood due to polio. Ever since then his life was rife with hardships as his parents passed away and he had no support except his brother's family. He had almost no source of income and was heavily dependent upon others for his physical and financial needs. However, he didn't lose hope and applied for the loan of Haryana Backward Class Nigam in the Utthan mela. The Nigam offers special loans for divyang beneficiaries up to Rs. 1-1.5 lacs with the interest rate as low as 5-6%. Moreover, the department offers a very smooth process of scheme delivery as it disburses the loan directly without any intervention of the banks. Within a few days, a loan of Rs. 50,000 was disbursed into his bank account with the help of which he started doing pottery and selling the clay work through his home. Nowadays, he makes Rs. 15,000 to Rs. 18,000 per month through his new business and doesn't need to travel long distances in order to find work at some other place. More importantly, he is able to lead a financially independent life and can buy the monthly medicines with his income. Ram Niwas aspires to set an example for people suffering from similar situations to never lose hope and work hard in order to lead a quality and respectful life in the society.

Success Story of Smt. Savita Rani

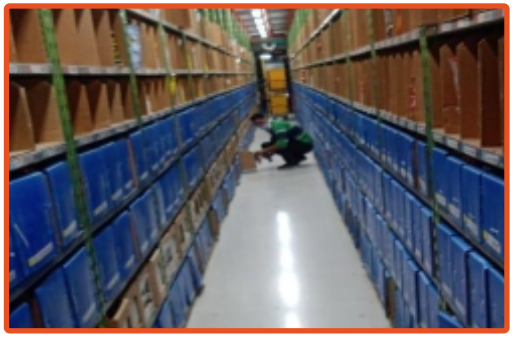
Savita Rani, a resident of MC Sirsa, was divorced years ago. She has two children, one in 11th standard, and the other one in 9th. Playing the role of both mother and father, she used to do stitching work at her home, to meet the needs of her children. However, with no other support, it was getting difficult for her with each day to manage their study expenses and other household expenses. When she got to know about the Parivar Utthan Yojana, she attended the Mela with a dream of being able to provide a better life to her children. After being counselled, she opted for an Individual Loan Scheme by Women Development Corporation.

After successful verification and smooth processing by the concerned bank, a sum of Rs. 90,000 was disbursed to Savita, which she used to expand her small business of stiching by investing in better machinery. Earlier she was only earning a sum of Rs. 5,000 per month by doing a lot of manual work but now she is earning almost 8,000-10,000 per month. She is even paying her EMIs on time. She sees a clear possibility of further increasing her income in future by employing assistants under her. She is now not actualizing the dream she saw for her children but is also planning to provide some livelihood opportunity to others as well.

Sonepat

Success Story of Sunil

Sh. Sunil hails from the Lath village of Sonepat district. His family comprises four members including his father, mother and a sister. His father used to sustain his family by working as a truck driver however, he was not able to continue with his job as he started suffering from several health issues due to his old age. Sunil's mother is a housewife and his sister is still pursuing higher education. Therefore, Sunil decided to start earning for his family as he has completed his 12th and did an ITI course in a trade related to computers.

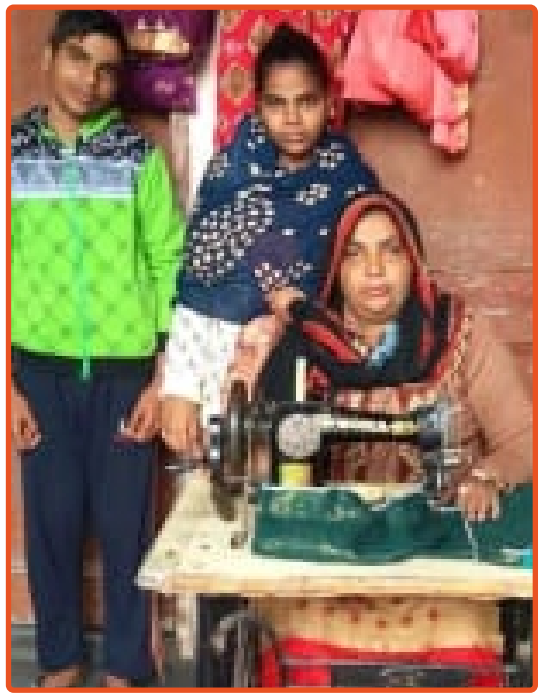


Sunil visited the Utthan Mela in the hope to find a decent job for himself. He was directed to the Employment Department's desk wherein he was made aware about a plethora of job opportunities which existed in the private sector as per his qualifications. The Employment Department further connected him to various companies and even scheduled interviews with the respective companies. After going through several job interviews, he finally secured a private job as a storekeeper in Amazon through which he is earning Rs. 12,000 on a monthly basis.

At last, he thanked the Haryana Government and various officers of the employment department for giving him required exposure about various job opportunities and providing him with adequate hand holding with the help of which he is able to secure a decent job to sustain his family.

Yamuna Nagar

Success Story of Smt. Praveen Kumari



Smt. Praveen Kumari hails from the village named Chaudhary Colony of the Yamuna Nagar district. Soon after her marriage, she lost her husband due to a medical illness of liver failure. As a result, she became helpless as there was no source of certain income apart from her husband's daily wages which further impacted the day-to-day activities of her family and education of her children. In 2022, she got to know about Parivar Utthan Yojana through various phone calls and messages of the government. She was also personally visited by various ground-level workers such as Anganwadis who informed her about the purpose of Utthan melas and motivated her to attend the same on the stipulated date and time.

After realising that she is a widow and belongs to the Scheduled Caste community, the counselling desk referred her to the Haryana Scheduled Castes Finance and Development Corporation wherein she applied for a loan of Rs. 75000 and got a subsidy of Rs. 10000. With the disbursed amount, she started providing tailoring service at her home itself and is able to earn Rs. 7,000 to Rs. 8,000 thereby increasing her annual by approximately Rs. 1 lac.

Some Glimpses from the Utthan Melas

मुख्यमंत्री अंत्योदय परिवार उत्थान योजना
हरियाणा सरकार

“पंडित दीनदयाल उपाध्याय के अंत्योदय दर्शन के तहत गरीब से गरीब व्यक्ति का उत्थान हमारी सरकार की प्राथमिकता है। हरियाणा में सरकारी सेवाएं एवं योजनाएं सरल तरीके से हर जरूरतमंद व्यक्ति तक पंहुचाई जा रही हैं।”
